**Our Mission**

Reduce, reuse, recycle and manage municipal solid waste throughout Teton County, WY in an efficient and environmentally-sound manner.

**Diversion from Landfill**

In 2016, a total of 17,462 tons of material was diverted from the landfill, saving money and conserving and protecting our natural resources. Materials are diverted through reuse, recycling and composting. Examples include:

- Concrete is crushed and reused.
- Dimensional lumber is ground and used in the food processing industry as a heat source.
- Scrap metal, including wires, appliances and fencing, is recycled.
- Tires and rims are recycled.
- Yard and landscaping waste is composted.

**Thank You!**
General Information
Contact
ISWR Office 307-733-7678
www.tetonwyo.org/recycle

Location
The Trash Transfer Station is located at Horsethief Canyon, approximately four miles south of Jackson, on US 26/89/191 on the east side of the road. The physical address is 5400 W. US Hwy 89.

Hours
Winter Hours (Mid-October to Mid-May):
- Monday-Friday 8am-3pm
- Saturday 9am-1pm

Summer Hours (Mid-May to Mid-October):
- Monday-Friday 7am-3pm
- Saturday 9am-1pm
- Saturday 9am-1pm

Payment Policy
- The Transfer Station accepts cash, checks, and credit cards (no American Express).
- Charge accounts may be set up for customers who frequently use the facility. Contact the ISWR office in advance for application information, 307-733-7678.

General Policies
- All loads must be tarped.
- Must provide 48 hours notice prior to disposal of all Construction and Demolition loads at the Transfer Station. Contact 307-733-7678.
- All loads entering the Trash Transfer Station are subject to inspection.
- Asbestos testing is required prior to disposal of demolition materials. Please contact 307-733-7678 for information.

Load Sort Policy
Concrete/Asphalt/Masonry Block
- Concrete slabs should be no larger than 2’x2’x2’
- Protruding steel, rebar and wood must be cut flush with concrete slabs

Yard and Landscaping Waste
- Grass, leaves, and weeds
- Branches and shrubs
- Trees - Must be free of rocks and dirt. Stumps larger than 25” in diameter must be cut into 3-foot sections.

Refrigeration Units
- Includes refrigerators, freezers, and air conditioners. There is a charge of $35 per unit for freon removal.

Scrap Metal
- Includes items such as electrical wires and conduit, metal fencing, plumbing fixtures, aluminum framed doors and windows (no glass), and all appliances (See Refrigeration Units above).
- 55-gallon drums MUST have one end removed for inspection
- Fuel storage tanks MUST be certified as decommissioned prior to disposal. Contact Teton County ISWR 307-733-7678 for more information.

Tires
- Individual and bulk pricing available. Large equipment tires are charged bulk (per ton) pricing, rims that have been removed can go in the scrap metal pile.

Motorized units
- Snowmobiles, lawnmowers, snow blowers, motorcycles, etc...
- All fluids (gas, oil, etc...) and batteries must be removed

Construction Wood Waste
- Dimensional lumber
- Plywood
- OSB
- Railroad ties accepted in separated pile (charged as Trash).

Note: It is important to bring in “clean” dimensional wood. This material is ground and used as heating fuel. It CANNOT contain any of the following contaminants:
- NO ZIP System® sheathing
- NO MDF
- NO particle board
- NO pressure treated wood
- NO attached metal larger than 1/8” diameter
- NO stickers, shipping labels or paper
- NO tar paper (even small pieces)
- NO insulation
- NO electrical wiring
- NO Styrofoam
- NO cardboard (accepted as Trash).

If wood cannot be cleaned - Truss plates must be removed
- NO entire truss structures - Truss plates must be removed

Additional Recyclables
- Camping Propane Containers
- Batteries (rechargeable, alkaline automotive)
- Cell Phones
- Poisons
- Automotive batteries - not accepted at ISWR.
- Automotive batteries - not accepted at ISWR.
- Contact local auto parts stores for disposal

Prohibited Items
The following materials are prohibited from the Trash Transfer Facility. Please see below for information regarding alternative disposal at the Recycling Center, Household Hazardous Waste Facility and elsewhere.

- Asbestos - contact 307-733-7678 for information on asbestos testing and removal
- Liquid waste (i.e. sewage sludge) not accepted at any ISWR Facility
- Fluorescent light bulbs
- Quantities less than 12 bulbs or tubes may be brought to the Recycling Center during business hours (Monday-Friday 9am-6pm). Quantities greater than 12 bulbs or tubes, please call ahead. Large quantities may require a Household Hazardous Waste appointment.
- Electronics
- Electronics must be separated from mixed waste loads. They are accepted at the Recycling Center year round. Electronics include:
  - Televisions, VCR & DVD Players
  - Computers and all accessories
  - Fax machines, copiers, scanners
  - Cell phones & hand-held electronics
- Household Hazardous Waste
- Hazardous Waste must be separated from mixed waste loads. It is accepted for disposal during seasonal collection, April - October. Call 307-733-7678 or visit www.tetonwyo.org/recycle to schedule an appointment.
  - Anything toxic, flammable, corrosive, or reactive
  - Automotive fluids
  - Oil based paint
  - Antifreeze
  - Poisons
  - Automotive batteries - not accepted at ISWR.
- Contact local auto parts stores for disposal
